## FPSC Model Pack 39 - Free Game Model Packs

Hey! I was looking at this model pack and thought 'hmm, different factions' and i love different factions. All I'm asking is if there is a stand that looks like the one from model pack 9? And 'what faction' is this model pack if anybody knows? The model names come from it's appearance. thanks in advance. And if you could make a stand and a stand for a turret that looks like the one in model pack 39 it would be incredible! I will post a link to the model pack for a stand later. so.
