INMOST stands for "Inmost", "What's Innermost?" as they said. It's an action platformer game inspired by the pixel art and classic gameplay of the 80's, 90's and early 2000's video games. It's a arcade action game where the player must solve puzzles and confront a powerful adversary in a fight for survival. The player starts as a young child and has to explore a mysterious world, find a way back to our home and help the inhabitants of this place to reclaim it. What is INMOST? INMOST is an action adventure game inspired by the 80's, 90's and early 2000's video games. It's a very detailed game built from the pixel art and graphic style from classic games such as Super Metroid or Castlevania 3:Lacuna . The player is looking for a way back to their home and will have to learn to survive in this new world. You will explore a 2D hand-drawn world, solve different puzzles and fight enemies in order to find your way back home. The NPCs you will meet in this world will help you along the way. The process is simple and casual: you will have a map in your hand, move the cursor over the place you want to go and you can jump to another place. The game has many areas to explore. You can dive deep down in the earth to solve the mysteries of the underground. You will be able to climb the different environments. You will have to find different places and objects to use them to solve the puzzles around you. You can be able to craft 3da54e8ca3
